

Friends,

Good news! With the help of the Presbytery of Western North Carolina, we have now raised the entire \$159,000 for my three year term as Mission Co-Worker to Indonesia.

Congregations and individuals within the Presbytery of Western North Carolina have contributed money and pledges amounting to 53% of the funds, for a total of over \$85,000. PDA will be contributing 25%, or \$39,750 (as I will continue to serve as Tsunami Liaison for one-quarter of my time). I have received the remainder of the funds through connections outside our presbytery, mostly from congregations, including \$15,000 from Grace Presbyterian in Houston, as well as others in Indiana, West Virginia, California and Georgia.

I am deeply appreciative to PDA for being willing to be my guarantor of funds, enabling me to attend the recent orientation so that I could go on to the field this year. I am thankful to World Mission for letting PDA be my guarantor.

I am also very grateful that I have the support of so many people around the country from so many different churches, and particularly from the Presbytery of WNC.

Thanks be to God,
Becca
