

CHRISTMAS GIFT OPTIONS

BENEFITTING OUR PARTNERSHIP WITH GUATEMALA

The following cards (in color) supporting the stated ministry are available for 2004:

Guatemalan Scholarship Fund - Minimum contribution of \$20.00

Inside left: In celebration of Christ's coming, a gift has been given in your honor to the Guatemalan Scholarship Fund.

Most Guatemalan pastors have not been able to complete high school. Also, most are not paid more than traveling expenses to the churches they serve. Without scholarship help neither they nor other lay leaders can attend classes. Support of the Scholarship Fund has enabled over 100 lay persons and pastors study so they can be more effective leaders in their churches and communities.

Inside right message: **!Buenas Nuevas!
Good News!**
