Faith Beyond Borders

As Christians we are members of a global community of faith -- that means that we are a diverse people. Therefore, our vision must go beyond family and high school, it must be a faith beyond borders. Those borders are more than geographical; as a diverse people, they are also spiritual. This weekend we will consider faith beyond our own borders.

At \$59 - It's worth it!

Key Leaders

Corey Nelson (key & music leader), Corey served as a Mission Volunteer for the PC (USA) in Belfast, Northern Ireland and in Ghana, West Africa. Afterwards he worked as a mission educator and worship leader for the PC(USA)'s Worldwide Ministries Division, and created the Thuma Mina Mission Theatre Company. He has led workshops, produced several national events and served as a leader for numerous local and national conferences. A graduate of McCormick Theological Seminary, Corey now serves as the Associate Pastor for Mission, FPC, Lake Forest, IL, and is a favorite leader at the Montreat Youth Conference.

Youth of Presbytery of Western North Carolina will be leading the recreation for this event.
