Break the Bread of New Creation

Over twenty five years ago, the Presbytery of Western NC began receiving the Peacemaking Offering. Help us continue this tradition!

Each congregation will choose how to designate 25% of the offering. *(For ideas to use this portion to enhance your congregation's commitment to peacemaking, see the denominational packet.)*

The presbytery will receive seventy five percent (75%), forwarding half to the General Assembly for support of the Peacemaking Program. Twenty-five percent (25%) is used for support of synod and presbytery.

This year, after investing \$250 in Oikocredit to fund loans to small businesses in developing countries, the Presbytery portion of the offering is designated for:

- GLOBAL VILLAGE at Camp Grier. This will soon provide a “third world experience” right here in WNC. The Global Village will help us understand the lives of our sisters and brothers elsewhere while building our own “team”.
- BORDER LINKS
