## THE EVENT THEME: THE FOUR CORNERS OF YOUTH MINISTRY

The Four Corners of Youth Ministry are: *study, play, worship, and mission*. These are all important pieces apart from one another; however, combined, they form the corner-

stone of youth ministry.

This weekend retreat is designed to nurture youth leaders and equip them with the resources

they need to encourage *study*, invoke *play*, inspire *worship* and empower *mission*.

This retreat will focus on these four corners by taking a more in-depth approach with new and innovative ideas.

## THE EVENT LEADER: LISA DIEDRICK

Lisa Diedrick is active in recreational ministry through the Annual Recreation Workshop, its southern version – SARW, and her own company, *A Playful Spirit*. She has served several churches in Christian Education and Family Ministries and is an expert at designing creative programming. Lisa served on the Montreat Youth Conference Planning Team for 2008 and is excited about sharing her gifts with the Western North Carolina and Holston Presbyteries this fall!
