

THE PRESBYTERIAN OUTLOOK

The Presbyterian Outlook recently sent their subscribers an edition of The Presbyterian Outlook that can provide just the summary of understanding you'll want your presbyters to read. Bill Lancaster has prepared a 4-page overview of all the proposed amendments, including brief pro and con arguments for each. A long-time E.P. (Associate Executive in Foothills Presbytery), Bill brings to the subject great understanding of Reformed theology and Presbyterian polity, as well as a deep love for the PC(USA).

What's more, this analysis comes in an edition that highlights the 2009 Calvin@500 celebration. Several compelling articles on John Calvin's life and thought will enrich all readers of this issue of The Outlook. The magazine also reports on the recent call for a denomination-wide fast for hunger. This is an especially substantial and thoughtful edition.
