March 24, 2009

Dear Friends,

I am so excited!! We had the best year yet for the annual statistical report - with 95% of our churches reporting! With everyone's team work, our percentage has continued to increase every year since the online statistical report's inception. Thank you for your diligence in completing this report annually!

There were six congregations from our Presbytery that did not submit their information (see reverse). For those who did enter the 2008 stats online, reports for the last ten years can be accessed by visiting G.A.'s website at <http://ogasys2.pcusa.org>.

Remember that throughout the year, basic updates to your church's information (i.e., changes in Clerk of Session, address, phone, etc.) can be made on G.A.'s website at any time. Just be sure if you make changes on G.A.'s website, that you please pass that information along to the Presbytery office as well, so that our records will be accurate.

What a tremendous reporting year! Again, thank you for making this the best reporting year to date, and keep up the great work!

Cordially,

Tonya
