*Mills River Presbyterian Church has continued to expand its outreach this past year with very successful clothing drives in each season that was well-supported by the community. New (and younger) members are bringing new energy and ideas (and challenges!) to the church. MRPC is also a partner church with Monte Horeb in Guatemala and supports its children through the scholarship program. MRPC anticipates a third trip of church members to Guatemala sometime soon. There is also renewed interest in education within the church, so more Bible studies and book club/discussion group events have been taking place. We ask for prayers for continued growth and enthusiasm as we seek to be faithful in the 21st century. Please pray for our pastor, Randall Boggs.*

**February 26<sup>th</sup> - Montreat (P.O. Box 577, Montreat, NC 28757)**

*Montreat Presbyterian Church USA asks that the presbytery will:*

- pray that MPC will move toward a permanent worship space, so members and guests do not have to wonder where we will worship;*
- pray that our budding ministry to college students will flourish;*
- pray we will continue to grow in numbers and in faith as we seek to respond to God's call on our church. Pray for our pastor, Maggie Lauterer.*

**March 4<sup>th</sup> - Morganton First (100 Silver Creek Road, Morganton, NC 28655)**

*In this, the 215th year of existence of the First Presbyterian Church of Morganton, we hope and pray that we can be faithful to the extent that generations from now may look back and give thanks for the faithful work and ministry of today. Please pray that we may make a real difference in the lives of our members, the community, and world in which we live and do so in a way that glorifies God. Pray that in the midst of the myriad of events and programs underway in and through FPC, we would not lose sight of why we do them nor fail to pay attention to the manner in which we do them. May our energies, efforts, gifts, and conduct be a fragrant, pleasing offering to our gracious Lord. Remember our pastors, Michael Bailey and Adam Bowling.*
