**SESSION'S ENDORSEMENT**

The Session of \_\_\_\_\_  
at its meeting on \_\_\_\_\_ endorsed our member(s)

\_\_\_\_\_ to participate in the School for Laity/Commissioned Lay Pastor Training Program.

In making this endorsement, we agree to support the applicant during his/her training through one or more of the following ways:

- Provide encouragement and prayerful support.
- Realize that the person may not have the same amount of time to devote to specific church activities and allow the person to adjust church responsibilities.
- If necessary, provide financial help with the cost of the training and the resources required, (transportation cost, text books, etc.)
- Invite the participant to share with the pastor and/or session the experience after the first year.

This program is designed for persons who would like more study in the Biblical, theological and practical aspects of our faith and ministry. It is hoped that this person's knowledge can be shared to strengthen the ministry of your church.

The program is also for those interested in becoming Commissioned Lay Pastors. The Session understands that the entrance into this program is only the first step for someone who wants to be a Commissioned Lay Pastor. If the person decides to pursue a Commissioning, the Session's recommendation will be very important. To pursue this choice, the person will have to be an ordained elder. The application for this position takes place only after the applicant has successfully completed the training process and has received a call from a church.

Please return this form to the Presbytery office no later than September 1, 2010.
