**Sponsored and planned by
the Annual Recreation Workshop
and**

**Montreat® Conference Center,
Presbyterian Church (USA).**

ARW is a recreation leadership development event for those involved in re-creating the community of the church or other leisure-delivery agency. Through community building and games, through creative worship and the arts, through music and dance, through laughter and good food, ARW will provide the activities and teach you how to lead them. Check out our website at www.recreationworkshop.org and register so that you can join us in Montreat in May.
