CROSS

**Charlotte, Regional, Outreach,
Spirituality and Study**

Charlotte: The CROSS program began in 1999 by the youth group of Myers Park Presbyterian Church. Since 1999, groups stay at Myers Park Presbyterian for housing and perform urban ministry through 30 different sites in the Charlotte area.

Regional: Since 1999, over 3000 people have participated in mission work through CROSS.

Outreach: CROSS organizes opportunities for mission work to provide a diverse and rewarding experience for all types of groups. Outreach opportunities are to the following people; homeless, hungry, elderly, addicted, disabled, and children who are at risk or in poverty situations.

Spirituality and Study: Mission days start out with a 30 minute worship time with God's word, skits and a review of ministry sites for the day. Devotional packets are available for groups to lead evening reflection times which are strongly encouraged to reflect on the day's activities and emotions.
